This week the children have been playing with playdough and pasta, making flowers and using the pasta to count as petals.

They've created snail trails, using sponges as snails and painting onto paper.

A favourite activity has been watering the plants in the garden and playing musical instruments in the sunshine!

They've also been learning a dance to a well known song from The Lion King!

The children made a beautiful card to celebrate Janet's 80<sup>th</sup> birthday in the church yesterday! Janet runs a weekly coffee at church.

As you know our Spring Fair is on Sunday 17th May 2-4pm and any support you can give us on the day will be greatly appreciated.!

We really need your help with the following:

- \*raffle prizes
- \*bottle donations for the tombola
- \*volunteers for a variety of jobs on the day
- \*do you know any local businesses who might like a table at the event?
- \*advertise the event and bring family and friends- everyone is welcome!

Thanks for all of your continued support!

## Reminders

**Suncream:** Please apply suncream at home in the morning and send named bottle into the setting to be applied in the afternoon.

Can we please ask that we only have plain crackers, breadsticks, rice cakes etc. for the snack bar as we need to be mindful of children with various allergies and intolerances.

We'd like to welcome our new starters to the preschool, who have settled beautifully and joined in with all activities. Well done! We have continued with our spring theme this week. The children have been counting and colour matching with caterpillars. Despite the rainy weather we've been outside as much as possible, building brick walls and enjoying the mud kitchen!
