The children have had a fantastic week at preschool, spending time gardening, doing science experiments for Earth Day and stretching/relaxing with yoga!

We've had some new starters this week who have settled really well and are already participating in activities and forming friendships.

We've had a visit from Daisy dog which is so special for children and staff alike! She is a trained therapy dog and the children absolutely adore having her around for the day!

Thanks for all of your continued support.

Welcome back for the Summer term!

We hope you all enjoyed a well earned rest during the half term, everyone came back to preschool bursting with energy and raring to go!

We've had a great start to the new term making Easter gardens, a trip to the local shops and various activities, using paint and shaving foam!

Our Spring fair is fast approaching and we're asking for volunteers to help make the day a real success. If you know of any local business that would consider contributing a raffle prize, we have a letter which you could give them. Please ask a member of staff.

Thank you so much for all of your kind and generous donations during Easter and Ramadan, we are so grateful!
